## OCCUPY HARTFORD WEATHER UPDATE

### --- NEWS AND COMMUNITY STATEMENT ---

(October 19, 2011) --- In the interest of public safety and health concerns, members of the Hartford Fire Department met with and strongly recommended to members of Occupy Hartford that it would be in their best interest to take down their tents and seek dry shelter due to the incoming storm that will include heavy rain, standing water, and high winds. The initial request came last night followed up by a second request this morning. Last update: some members have left the area dubbed "Turning Point Park."
